

Expect Group of Companies Rowan Care & Focus Care Wales Staff Survey Results October 2023

AIM:

To engage with staff and give them the opportunity to share their views and feedback on the Services provided by the Expect Group of Companies – Rowan Care & Focus Care Wales

To identify any necessary changes for leaning and improvement

To monitor and evaluate shared information

The annual survey was circulated using Google Forms and completed anonymously by staff members. 19 Rowan Care & Focus Care Wales employees received the Staff Survey and there were a total of 13 responses received.

Results from the Staff Survey are very positive and show that all respondents understand what the organisations aims to do, understand their job role and responsibilities, are willing to go above and beyond for Rowan Care/ Focus Care Wales. Responses show that 69.2% of respondents get job satisfaction working for Expect, while 46.2% of response indication that respondents feel stressed at work in comparison to April report of 33.3% respondents feel stressed at work.

Responses indicate that communicated could be improved by both the organisation and individual teams. 92.3% of respondents report they have the opportunity to take part in staff meetings and have regular supervisions. 84.6% of respondents express they enjoy working for Rowan Care & Focus Care Wales which has decreases by 9.8% since April's report.

Team work and duties are in the main positive, 69.2% of respondents feel part of a team working together to provide a good service in compassion to 77.8% in Aprils report. 53.6% of respondents express that members of the team recognise and value the work they do. 69.2% of respondents report that they are comfortable appropriately challenging other team members ways of working. This has increase since Aprils report by 8.1%.

Staff training and development responses indicate that 50-80% respondents are mainly happy with their level of training and development. 84.6% of respondents report they are booked onto regular training by their line managers. 53.8% of respondents report they have the opportunity for personal and professional development.

100% of responses indicate that respondents have full understanding of Data Protection, processes and responsibilities. 7.7% of respondents report that they do not feel confident raising concerns about unsecure or unlawful use of data.

Responses indicate a full understanding around health and safety and how to raise quality concerns.

46.2% of responses indicate that respondents have not seen the survey results for the last staff survey (April 2023). This is concerning as surveys have been circulated via email to all line managers to share with their teams and a copy of the survey is assessable on the Expect company website.
