Marg Ollivier invites Service Users and Staff to take part in this years quarterly general meetings.

The aim for these meetings is to create a platform where staff and

service users can engage with Marg & the Senior Management Team, and have the opportunity to communicate their views and feedback on the Services provided by the Expect Group of companies. If you have any ideas or ways of working that would benefit Expect, come and share those ideas.

STAFF NOTE: If you would like to attend any of the meetings to represent your Service or department, please communicate with your Line Manager.

Tea, Coffee and biscuits will be provided.
